BREAST MILK STORAGE BAG

Store breast milk safely and compactly

Valuable breast milk is the ideal basis for feeding your baby. Ardo has developed the Easy Store breast milk storage bag for best possible nutrition in the absence of the mother. It allows parents to store pumped breast milk for up to 12 months in the freezer and feed as required.

Every package holds 25 breast milk storage bags, which when filled can be stacked to save space. The double zip closure prevents leaks.

- ✓ **Manufactured without BPA**
- ✓ **Neutral odor and taste**
- ✓ **No leaks with double zip closure**
- ✓ **Max. volume 180 ml / 6 fl oz**
- ✓ **Stable or stackable freezer bag**

Simple. Quick. Leak-proof.
